Who We Are

Gulf Panel is a leading construction,project management contractor,and specialized in steel structure,cladding, and aluminium structural glazing. Our reputation for safety delivering quality projects on time and budget as well recognized in the industries we serve. We have proven expertise in managing large, complex projects, and strong relationship with our clients.

Gulf Panel has been constructing projects, Steel structure and Cladding & Structural Glazing for the construction industry. Since 2008, we have developed and established good business relations with several private and governmental clients. Gulf Panel specializes in the Steel structure, Aluminum Cladding, Structural Glazing, Curtain Wall and all kinds of Storefront Doors to better serve our clients we have acquired new technology that is capable of our business however, extends to other parts of Middle East.

Environmental Health and Safety Policy

Consistent with Gulf Panel Mission, Code of Conduct and the Environmental, Health, Safety and Sustainability (EHS&S) Vision, Gulf panel is committed to conducting business in a safe and environmentally sustainable manner that promotes the health of our employees, customers, community and the environment and that meets global Environmental, Health and Safety (EHS) requirements. The purpose of this policy is to implement the principles of the Environmental Health and Safety program. Corporate and regional standards exist to support these principles.
